OUR GOALS

01 Curriculum Support

We serve teachers and students by providing fully developed curriculum materials. Our online modules are developed by Mays Business School faculty, staff, and other collaborators.

02 Introduction to Business

We want every student to discover that the business world provides many exciting career opportunities they can explore.

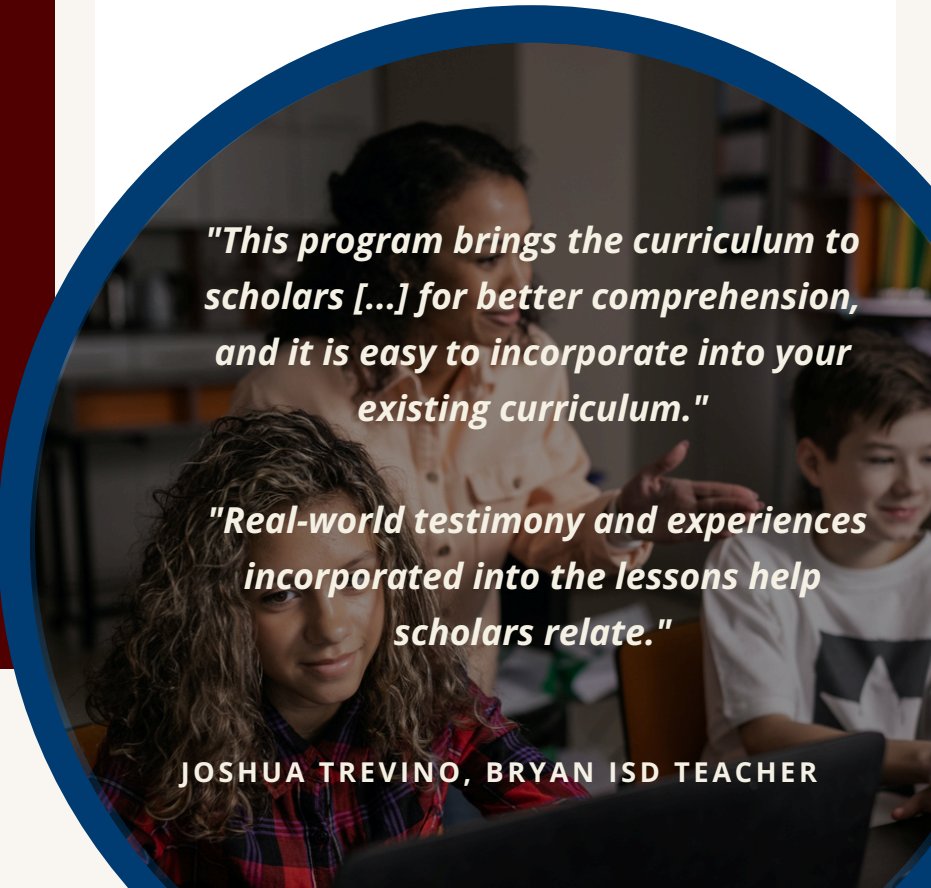

03 Skills for Life

Our courses help build critical knowledge and skills that will benefit students no matter what their future career plans are.

ABOUT THIS PROGRAM

Step Into Business provides business education curriculum content for Intro to Business classes. Our courses are delivered through interactive online modules that teachers can incorporate into their curriculum at their own pace.

Step Into Business is a service program from the Reynolds and Reynolds Sales Leadership Institute at Texas A&M University that offers content to schools at no cost.

"This program brings the curriculum to scholars [...] for better comprehension, and it is easy to incorporate into your existing curriculum."

"Real-world testimony and experiences incorporated into the lessons help scholars relate."

JOSHUA TREVINO, BRYAN ISD TEACHER
